

# HOMESTEAD ELEMENTARY

## Project Information

**Site Area:** 7.67 Acres

**Project:** Building addition  
Parking lot expansion

## Client

Oswego Community Unit School District 308

## Scope

MeritCorp completed a property boundary survey and topographic map to provide a basis for design of the school expansion. MeritCorp's team coordinated with the project architect and other consultants. MeritCorp also provided construction layout services at the site. Upon completion, MeritCorp provided as constructed plans showing all site improvements.
